

HAD TO GO BACK TO DE OLD CORNERS, NOW HE'S IN DE JUG

Early Got a Load On and It
Led Him Back to De-
tention Pen.

As is the duty of putting a crimp
romance, so to speak, said duty
be performed. Here is the true
of how William Cleary, alias
"Crazy," who escaped from the House
of Detention with Thomas Kramer,
a black man, and Samuel Kramer,
a white man, Sunday night, was cap-
tured last night at Thirty-second street
First avenue.

was not captured while kissing his
heart in the shadow of a tenement
house. He did not go into the neigh-
borhood where his gang flourishes to see
his sweetheart. He was lured over there
for the purpose of adding to a load of
liquor he had accumulated on the Bow-
ery.

As soon as Cleary escaped Detectives
Finn, Andrews and Nelson were ordered
to camp out in Thirty-first, Thirty-second
and Thirty-third streets, near First ave-
nue and watch for him. The sleuths
knew he would show up around his old
haunts eventually. They put out some
information lines and waited.

Finn was informed about 10 o'clock
last night that Cleary, very drunk, was
talking to a woman wheeling a baby
carriage in Thirty-third street. He
walked around, found Cleary and ar-
rested him. Cleary put up a fight and
yelled for help. Half a dozen of the
members of the Village Gang rushed
out of nearby saloon and Finn blew
his police whistle.

Andrews, Nelson and half a dozen
policemen in uniform responded to the
call. Cleary was dragged to the East
Thirty-fifth street station and locked
up. To-day he was returned to the
House of Detention.

Cleary is a witness for the State in
the case of Thomas Gannon, charged
with the murder of Carl Larson last
March. Wise, his negro companion in
escape from the House of Detention, is
a witness in an opium case and Cahn is
the man who rented the house in
Brooklyn where "Lefty Louie" and
"Lefty the Blood" were captured.

was lonesome in the Detention
House," said Cleary today. "I had an
awful thirst too. This guy Cahn be-
gan to talk about getting out as soon
as they put him in. He framed up the
getaway. We took the coin along with
us because he was so big. We used
him as a ladder in getting to the top
of the wall.

"When we got outside we went over
to the Bowery and separated. Cahn
caught a southbound car. Wise hung
around and got caught the next day. I
hid myself in a place on the Bowery
until yesterday, when I got home-
sick for the old corners and walked into
the arms of the bulls."

Cupid Followed Five Beauties.
Edna Hildebrand, Bessie Curran, Ger-
trude Denton and Louise and Annie
Miller, selected as Pittsburgh's five
most popular girls in a voting contest,
returned from a trip to Panama on the
Prinz Joachim yesterday. They ad-
mitted two of them would return before
long to the isthmus to marry engineers.

COMMISSIONER OF DEEDS GUILTY OF POLITICAL FRAUD.

Used Names on Petition That Were
Reputed by Their
Owners.

Robert Ledy, a Commissioner of
Deeds, of No. 207 East Seventy-seventh
street, was convicted in the Court of
Special Sessions today for fraudulently
obtaining signatures for the nomination
of candidates on the Progressive party
ticket.

Albert C. Garanteche, cashier of the
Progressive party, accused Ledy of
certifying that John J. Ryan of No. 302
East Seventy-fifth street had signed a
petition endorsing Landon Bates Jr., can-
didate on the Progressive party ticket
for Congress from the Seventeenth Con-
gressional District. Ryan swore he
had never signed the petition. Ledy
was remanded for sentence. The penalty
for the crime is up to one year's im-
prisonment or a fine not exceeding \$500,
or both.

Warrants were issued today by Chief
Magistrate McAdoo for other Com-
missioners of Deeds and of similar of-
fenses by Mr. Carmicene.

ilist, was charged with abducting

Don't Be Fussy About Eating

Your Stomach Will Digest Any Kind
of Food When Given the
Proper Assistance.

We are prone to fall into the error of
singling out some article of food and
soundly berating the food who first in-
vaded the dish. The habit grows with
some people till almost all food is put on
the blacklist. This is all wrong. What
is required is a little assistance with those
articles upon which scientific students
for many years have set their seal of
approval because they have become abso-
lute facts. Stuart's Dyspepsia Tablets for
all stomach disorders are recognized;
they have a fine record; they are rated
reliable, dependable and worthy of con-
fidence just as the president of a big
bank puts his O. K. on a depositor's
check. And so you can eat what you
want, whatever you like, knowing well
that should indigestion, sour risings, gas
formations, fermentations or any other
stomach disturbance, fermenting food,
Stuart's Tablets in a few moments will put
you right.

Coated tongue, bad breath, heartburn,
belching, flatulency, bloating—all the sym-
ptoms of digestive trouble disappear
quickly when these tablets are used. They
are not a cure for anything but dyspep-
sia and kindred complaints. But they
have brought relief to more sufferers
from digestive diseases than all the patent
medicines and doctors' prescriptions put
together.

The stomach does the heaviest work
of any of the bodily organs, yet it's the
one we treat with the least regard. We
eat too much of the wrong kind of food
at any time. The patient stomach stands
such treatment as long as it can and then
it rebels. You get notice of the rebellion
in the shape of the gases and pains caused
by undigested, fermenting food.
Stuart's Dyspepsia Tablets are sold
and recommended by all druggists at 50c
a box.

Plain Corset Talker TO WISE WOMEN

(No. 8)

You know, as all wise women
do, that an imitation is always
inferior to the genuine.
Also, that there is no tempta-
tion to imitate anything that isn't
BETTER.

Do you get that?
Now, as a wise woman, you
will of course avoid being "bun-
cood" by the horde of hopeless
Nemo imitators.

When you pay your good
money, why not get the REAL
THING?

Be a Wise Woman!

Nemo's CORSETS AT 4

These corsets are especially
suitable for women who have
thick upper limbs.
Bands of elastic Laskope
Webbing prevent that bulge of
fat below the corset-strings—your
gown fits snugly and smoothly.
When you sit down, the elastic
bands expand; you're comfortable,
and your corset doesn't "ride up."

Two models:
No. 400—low bust \$4.00
No. 405—medium \$4.00

With Improved Relief Bands

Lots of women like these
corsets even better than the more
costly Nemo's—it all depends on
what kind of a corset your figure
requires. Two models:
No. 402—low bust \$4.00
No. 405—medium \$4.00

For Slender Figures

No. 412—A charming model for
slender and medium figures; very long
skirt, medium bust; the real "Hot-
tie Straps." Fine white brocade,
sizes 18 to 26—\$4.00.

Be nice to the dealer who
tries to sell you "something just
as good" as the Nemo, but
always—
Be a Wise Woman!

—and consider first YOUR
OWN style, health and purse.
